Project Description & Narrative • AIRGeorgia Financial Assistance

Please provide a detailed narrative description of the proposed project for which you are seeking OneGeorgia AIRGeorgia Program assistance. Attach as many pages as necessary.

The narrative description should:

1. Clearly list each of the entities that will be involved in carrying out the project and describe their specific roles (project coordinator, fund administrator, property holder, borrower, funding provider or of in-kind services, etc.);
2. Clearly describe each activity that will need to be undertaken in order to implement the project (use of funds) and specify which of the entities involved will be responsible for implementing that activity, whether or not it will be paid with OneGeorgia AIRGeorgia funds;
3. Identify all sources of funds and their status (on hand, awarded, committed, applied for, etc.) and explain why OneGeorgia AIRGeorgia program assistance is needed;
4. Identify all short-term and long-term results and direct and indirect benefits and quantify them to the maximum extent possible;
5. Provide a clear timeline for implementation of the project and achieving the desired result(s);
6. Reference all supporting documentation, including maps.

The **Completeness Checklist** is for OneGeorgia Authority use and is included in the application package for information purposes only.

The Completeness Checklist may be used as a reference by the Applicant to ensure completeness of the submission.

Please use separate paper and attach as many pages as necessary.
